

To our valued guests,

COVID Safety Plan and Guidelines for Food Businesses

Ocean Food Group continues to monitor the COVID-19 outbreak within Australia.

In compliance with the latest measures, as of 18th of May 2020, the dining room of The Lobster Pier will be open to the public with a seating capacity limit of **6 guests**.

In addition, it is a requirement for businesses to maintain attendance records of **dine-in** patrons. The purpose of this information is to assist Public Health with contact tracing in the event of a positive COVID-19 case within the premises. Rest assured that all records will **never** be used for purposes other than contact tracing.

We are adamant that all guests adhere to the current requirements from the Government of Western Australia and provide this information via the QR code below.
